Memo No. 2182 of 8-4-04 from the Chief Engineer of Mysore

Re financing of a Scheme for the supply of "Power and Electric Lighting" to Bangalore.

The Chief Engineer has forwarded for information a copy of letter of 7th April 1904 from the Dewan of Mysore to Messrs. Coutts & Co., London intimating the approval of Govt. of a Scheme for the supply of "Power and Electric Lighting" to Bangalore at an approximate cost of £42,000 and treating the work as part of the Second Installation, Kaveri Power Scheme, and Enquiring whether they have any objection to the present arrangement re the financing of the 2nd Installation being extended to cover the additional Expenditure.

It is ascertained from Enquiry in the Chief Engineer's office that a sum of 4 lacs has been provided in the Budget for the next year on account of Electric Lighting.

Letter dated 7th April 1904 from the Dewan of Mysore, to ~~the~~ Messrs Coutts and Company, Bankers, Strand, London.

My Government have approved of a scheme for the supply of " Power and Electric Lighting" to Bangalore.

This work is to be treated as a part of the second Installation, Cauvery Power.

The estimated cost of the work will be approximately £ 42,000, and out of this sum about £ 28000 may be required for expenditure during the official year 1904-05, (from 1st July 1904 to 30th June 1905) and £ 7000 each of the two succeeding years.

I trust your Bank will have no objection to the present arrangement re the financing of the 2nd Installation being extended to cover this comparatively small additional expenditu

Kindly cable me the word "Agreeable" if this proposal meets with your approval.
